

EXPO GIFT EXCHANGE CONTEST

Monaco Pavilion is participating in the Expo Gift Exchange Contest, launched by Austria Pavilion: a really friendly gesture of good will, through which the participating nations exchange small gifts with their neighbors. This week we visited Japan Pavilion and donated them the "little containers" that recall the 19 recycled containers of which our Pavilion is made of. As the most commonly used mean of transport in the entire world, it represents a universal symbol of exchange and multiculturalism.

VISIT OF ST JEAN-CAP FERRAT DELEGATION

In the occasion of Barbara Sillari art exhibition hosted in the VIP Lounge of Monaco Pavilion, we welcomed a delegation from Saint Jean-Cap Ferrat including the Mayor, Mr. Jean Francois Dietrich. During the evening he donated the honor medal to the artist for her work and to Monaco Pavilion for its commitment.

MONACO VS COCA COLA

This week Monaco Pavilion soccer team played the fourth match of the Expo Soccer Tournament that ended 6-2. Now we enter the last sixteen, so we have to be focused on the next step of the tournament: the match against FOP (Field Operators). Good luck!!

VISIT OF PHILIPPE GILBERT

Last week, in the occasion of the launch of "Giro d'Italia 2016" in Expo, we had the pleasure to welcome the Belgian cyclist Philippe Gilbert. Winner of numerous competitions, he is a specialist in the classic races (that won 7 times), and he has been both Belgian and World champion (in 2011 and 2012). Good luck Philippe for Giro d'Italia 2016!
